**2011-12 Required Volunteer Opportunities**

**MAKE A DIFFERENCE!**

The single most important factor in a child's academic success is the level of the parent's involvement in the school. Parents really do "MAKE A DIFFERENCE". ICA has always been a welcoming, caring and understanding school where whole families thrive, and we desire to keep that tradition alive. All families are expected to participate in the life of our school and your son/daughters educational experience. Please complete and return this form with your enrollment/reenrollment paperwork.
