A Roaring Lion's end of the year greeting to our Parents and Students,

As the 2010-2011 school year comes to a close, on behalf of all the staff at Integrity Christian Academy, I would like to offer our greatest thanks to each of you for all you have done for the students and staff of ICA this year and years past. Thank you, ICA parents and Friends, for your encouragement and support. We had much success in Walking the Talk and grew as a school family. It has been an outstanding year.

Our goal is to provide an excellent Christian education and assist families in "becoming more fully devoted followers of Jesus Christ." I thank God for the many blessings we have and I pray that we continue to move forward in striving for excellence in all that we do. I pray we learn from our mistakes and we move forward with boldness and passion as we reach out to others, spread God's Word, and learn how to put our faith in action.

The ICA Teaching Staff have all committed to returning the 2011-2012 school year. ICA is fortunate to

have qualified, dedicated and compassionate staff that have worked hard together as a team. There are new and very exciting curricular improvements and educational initiatives on the horizon. As our teaching staff gains experience working together, the devoted colleagues find ways to improve the education program at ICA. It is in learning from experiences and making mistakes that ICA can only become one of the best! If you have suggestions for field trips, guest speakers, or other educational opportunities to add to the new school year ahead please share with me in either an email or phone call.

I thank everyone who has given of their time, talents, and treasures to support and improve our school. We could not possibly operate without the support of our parents and volunteers who give with a generous loving heart.

As we head for the finish line, be sure to mark your calendars for the upcoming end of the year events that have been an exciting tradition for closing days at Integrity Christian academy. I am hoping to see you at one or more of the events. It means a great deal to your child that you are a part of their school journey.

I again, thank you for entrusting your finest possession to our teaching staff and myself. We certainly are honored to be your school of choice!

Have a safe and wonderful Summer!

In His Will,  
Djuana Ferguson. Administrator

Hot Fun in the Summer Time

### Dear Parents

At the close of any school year, we relish in the fact that we can power down from the demanding structure of school days. However, there is still life in the heart of ICA. Below is a list of what will continue at ICA.

- Summer office dates and hours are June 13 - July 29, 2011 Mon., Wed. and Thurs. from 8am - 2pm
- End of the year report cards/Test scores will be mailed out by June 24, 2011

- Book Fees for 2011-2012 books are due June 1, 2011
- ICA Staff reports back to school on August 1, 2011
- Continue to collect your boxtops 4 education and caprisun pouches
- Continue to use "Goodsearch" as your search engine

Enjoy the summer with family and friends.

### Remembering the Sacrifice on Memorial Day

As the summer months start to usher in the sunny days of summer breaks and vacations, let's not forget to pause and remember those who have fought and died for the freedoms that are associated with being an American. These fallen men and women made the ultimate sacrifice of "a life for lives." May 30, 2011 is the day marked as Memorial Day. A silent or boisterous prayer for those families that have experienced recent loss of loved ones to the 9 year (and counting) war in Afghanistan is how we can truly pay homage to those families. Proud to be an American.

*20 In the same way, after the supper he took the cup, saying, "This cup is the new covenant in my blood, which is poured out for you."*

## Having Fun Raising the Funds

The last fundraisers for the 2010-2011 school year were selected with the upcoming Summer vacation in mind. There will be a **Book fair** on 16 May 2011 where you can purchase some of the “teacher suggested” summer reads for your child that will also showcase the above bookmarks. The bookmarks keep track of the collective time your child spends reading, no matter how many times they stop and start. So, when your student is given the charge to read nightly for homework and to continue to read over the summer, this bookmark will eliminate the continuous question of “How long have I been reading.” The bookmark can be purchased with a night light for \$14.95 each or 2/\$25; without a night light for \$8.95each or 2/\$15. The other fundraiser to make note of is located on the school website under the “**Blog**” tab. There, you can purchase a magazine subscription for your child to read based off of their interest while supporting the school. Nurture your child’s mind with some good reads for the summer.

The last Breakfast Bonanza for the 2010-2011 school year will be on **13 May 2011 from 7-8:30am**. Please send the requested items by **11 May 2011**. While, enjoying a lunch with your child can prove to be difficult for many due to it being in the middle of the work day, this early morning breakfast opportunity can be that created memory. No matter the age of a child, a shared moment alone with you, is always a cherished and remembered moment.

### Good Samaritan Training

The ability to perform CPR prepares a person to be a "God send" at a time of crisis. This training can also be what gives you that extra edge on your job application or resume. It most certainly should be acquired by those youth who are caregivers to young children.

If you are interested in yourself or your youth receiving this training, please call the school office for more details.
